Subject: FW: Call back for SBHC Boston

Katie called today to get results but was told that they could not give them to her because she was not on the list. She does not know who she talked to. Can you please let staff know she can receive results.

Thanks

Bill

Please add Katie Mandosa-Hayes NP to the call back list and to be able to call in for results for the SBHC in Boston. Please be aware that she works at five of the sites and not just one site. Let me know if you have any questions.

Thanks

Bill
